1. The following is an examiner's statement of reasons for allowance:

The application is considered allowable for reasons made of record in the earlier office actions. Applicant has included all limitations of previous claim 7 in independent claim 5, and the claim is therefore considered allowable.

U.S. Patent No. 7,459,064 (hereinafter the '064 patent) to Anderson, who is also the inventor of the instant application, is hereby made of record. Any obviousness-type double patenting issues between the instant application and the '064 patent have been obviated by the filing and acceptance of a terminal disclaimer over the instant application in the application that issued as the '064 patent.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dr. Jeffrey T. Barton whose telephone number is (571)272-1307. The examiner can normally be reached on M-F 9:00AM - 5:30PM.
